SAMSUNG
CHROMEBOOK 2
INNOVATION IN NEXT-GENERATION LEARNING

11.6" ULTRA-PORTABLE LAPTOP FOR EDUCATION

Enhancing the learning experience is something we take quite seriously. Our commitment to education is what's behind the new Samsung Chromebook 2. Teachers can better engage and inspire young minds with the Chromebook 2's increased processing power, longer battery life and bright HD display. Images are sharp, clear and impressive. At just 2.65 pounds and .66 inches thin with built-in Wi-Fi, students can take them wherever they want to go. The Samsung Chromebook 2 helps schools achieve one-to-one computing even with limited budgets and IT resources, thanks to a low total cost of ownership combined with easy manageability.

KEY FEATURES

Longer Battery Life
Up to 9 hours of battery life lasts the entire school day.

Faster Performance
The Intel® Celeron® processor delivers enhanced processing power, exactly what's needed for even the busiest days.

More Class Time, Less Downtime
Boot-up times of less than 10 seconds means teachers and students are always ready.

Lower TCO Enables 1-to-1 Computing
Chromebooks stretch budgets by reducing the total 3-year ownership cost per device by up to $1,134 over traditional PCs (on select models).

Durable, Soft-Touch Exterior
The stitched, textured exterior is stylishly soft yet durable, giving students an easy grip on learning.

Bright Displays
Since it's from Samsung, the image quality is outstanding. The HD LED display delivers crisp, sharp text and crystal-clear visuals.
