

Samsung S20C200B 20" Desktop Monitor

The monitor that works all day, every day.

20" LED Desktop Monitor for Everyday Performance and Value

The Samsung S20C200B is ideal for general office use in a wide variety of business sectors. This reliable desktop monitor delivers cutting-edge technology, efficient design and integration ease. Fast response times result in motion imagery with precision. Front-mounted buttons let users easily adjust image settings. And the ultra-slim design with tilt-adjustable stand brings a greater sense of style as well as ergonomics. Naturally, because it's a Samsung, image quality is outstanding. The LED-backlit LCD screen delivers rich, vibrant colors and super-sharp text. The Samsung S20C200B. **Business. Innovated.**

Everything's Up Front

With narrow bezels, a black matte finish and front-mounted tactile buttons, the S20C200B is an easy-to-use, easy-to-deploy and easy-to-maintain professional-grade desktop monitor solution.

Save Energy, Save Money

Samsung's LED-backlight technology and user-selectable Eco-saving features enable enterprises to better manage power usage and reduce energy consumption.

Mega Infinity Dynamic Contrast Ratio

Details in the blacks. Details in the whites. The Samsung S20C200B delivers both through Mega Infinity dynamic contrast ratio.

Narrow Bezels Save Space

The narrow-bezel design and low profile stands take up less desk space and contribute to a cleaner-looking office. The built-in cable management feature also adds to a clutter-free work environment.

MagicBright 3 and MagicAngle™

Exclusive MagicBright 3 technology features pre-set modes that deliver the optimum viewing experience in just one click. With MagicAngle™, images appear sharp and brilliant even when users are not directly in front of the screen.

Fast Response Time

The S20C200B features a 5ms response time for seamless motion imagery, presenting streamed Internet content without the blurring and ghosting that occur on slower monitors.
